HOLY GHOST-IMMACULATE CONCEPTION MISSION STATEMENT

As a Catholic school, Holy Ghost-Immaculate Conception School supports our parishes and communities by meeting the individual needs of children through gospel values and academics to develop life-long learners and faith-filled citizens.

Dear Parents,

As part of our mission and philosophy at Holy Ghost-Immaculate Conception School we believe athletics to be an integral part of the total education of our children. A special thank you for our successful athletic program goes to our coaches and parents who volunteer their time through our Booster Club. Through their leadership, our student athletes learn to build not only skills, but also the importance of team cooperation, winning and losing, and character development.

It is important that each student athlete keep in mind his or her responsibility for academics and appropriate behavior. Students who participate in any extra-curricular activity must meet specific standards to be eligible for practice and games. Holy Ghost-Immaculate Conception has standards for student participation. In order for parental support to be in place, these standards and guidelines for both coaches and players are included in this handbook. They include qualifications and duties for coaches, player eligibility, general guidelines, disciplinary measures and game play.

The Booster Club serves as the parent group in support and action of the athletic program. You are automatically part of this group if your child is in any of the athletic programs. You are then asked to be able to work at home games and tournaments. We are grateful for the leadership of the Booster Club officers and ask that you be willing to support them as they request.

Parental support is an essential element of our athletic program at Holy Ghost-Immaculate Conception School. Please review this handbook with your child. Please sign the Parent-Coach Relationship Policy. The signing of the sheet includes the reading and discussing of the Athletic Handbook with your child athlete.

Coaches are to sign the HG-IC Coaching Code of Conduct and return it to the Kieler campus office.

We wish the best of learning and enjoyment to our student athletes and our coaches during this year's athletic season.

There is no annual fee for any athletes this year.

Holy Ghost-Immaculate Conception Athletic Handbook

Purpose of the Athletic Program

In fulfilling our Holy Ghost-Immaculate Conception School mission, the athletic program provides an opportunity for students and their parents to participate in a cooperative learning program that focuses on not only the physical, but on the lessons learned from competition in a Catholic school atmosphere. Participation in sports provides exercise, entertainment and an opportunity to learn cooperation with others. Whether we are a spectator, player or coach, we are called to be Catholic in all situations. We put God's Word into practice by showing respect for every person through good sportsmanship, by being a caring and concerned person and by realizing that we can enjoy sports even when we do not win.

We are called to live out the Gospel message of love and respect for one another. Players, coaches, fans and parents are to keep their focus on the real purpose of our athletic program. An athletic program can and should be part of our mission for the work that we do at Holy Ghost-Immaculate Conception School. Cooperation among all will make these activities purposeful to this mission.

The following goals are reasonable and attainable by a student's involvement in any extra-curricular activity. Success is defined as meeting these goals, regardless of final game scores.

1. The student can learn from his/her involvement in the activity.
2. Each student can enjoy his/her experience.
3. Each student can participate in the activity.
4. Each student can understand and appreciate the importance of working together as a group of people having shared goals.
5. Each student can develop a healthy attitude about sportsmanship.
6. Each student can share in the reality of winning and losing.

All six of these goals can be reasonably accomplished each time our athletes take the field or the court, favorably representing themselves as young adolescents, and representing Holy Ghost-Immaculate Conception School and Parishes as well as the communities of Dickeyville and Kieler.

For our coaches... we ask that you measure what you have accomplished never by the final score but by what you have taught, by the respect you have imparted and received, by the fun you have been very instrumental in creating, by the smiles from the athletes who see you as role models, and by the "thank you" you receive, spoken and unspoken.

Athletic Policy

All communication from parents regarding their child's participation in the school athletic program should be directed to the coach involved with the matter being discussed. If an issue cannot be resolved between the parent and the coach, one of the parties may contact a Booster Club officer to set up a closed meeting between the two parties involved. The school principal should be contacted to be the mediator at the meeting in an effort to bring about reconciliation. If reconciliation is not found, the principal will share this situation with the pastor and the Holy Ghost-Immaculate Conception Education Commission for a ruling.

Parent-Coach Relationship Policy

As a Catholic school, we expect parents and coaches to demonstrate respectful behavior and good sportsmanship throughout the athletic seasons. HG-IC will not tolerate the following: disrespectful conduct that demeans others, entering a contest area in protest; and verbal and/or physical confrontation involving coaches, parents, officials, players, or others.

If parents have serious issues or concerns with their student athletes, please set up a meeting with the coaching staff and school administration. Do not try to meet with a coach before or after a match or on a game day as both the coaching staff and parent(s) are running on adrenaline/emotions and haven't had time to decompress or process the entire scope of the contest and its results. If your child has concerns, please encourage your student athlete to first communicate these concerns respectfully to the coaching staff. If the issue is not resolved after a player-coach meeting, then a parent-coach-administration-Booster Club officer meeting can be arranged.

There is a form at the back of this handbook that needs to be signed and returned at registration or to either school office before the athletic season starts.

Home Games and Concessions Information

There are two shifts for each day in which home basketball games are scheduled. The first shift arrives early to get things set up for the day. The second shift stays when the games are over to clean up after the crowd clears. For volleyball there is only one shift and when the games are over you stay to clean up after the crowd leaves. Please try to arrive on time for your designated work shift. If we work together, we can see part of the games as well as help out with the duties. Anyone who has a conflict with working your designated time has the responsibility of finding a substitute.

One person for each shift will collect admissions. Admissions are \$2.00 for adults and high school students and \$1.00 for grade school students. Preschoolers are free.

Concessions are sold during the home games. The purpose of concessions is to raise money to pay for necessities such as uniforms, referees, etc. Everything that is necessary for selling items at the concession stands will be available. A list of prices for all items to be sold will be available.

People assigned to the concession area should also patrol the corridors. Children should not be allowed to run, swing on the coat racks, or play roughly. It would be appreciated if all parents attending the games would assume the responsibility of keeping order in the building. We need to keep a watchful eye on the stage, game floor, and corridors. No one should be allowed on the stage. Too many times during the games children are at risk of injury in these areas. Everyone must watch for potential problems.

If a game should be postponed at any time, the group scheduled to work will be expected to work on the make-up date. In case of schedule conflict, please find someone to substitute for you.

Guidelines for the Athletic Program

1. The mission and philosophy of Holy Ghost-Immaculate Conception School will be enhanced through the athletic program.
2. A positive environment will be created to help students enjoy participation in sports.

3. The A Teams will be made up of 7th and 8th graders and the B teams will be made up of 5th and 6th graders. This may be adjusted if additional players are needed to make up the A or B teams.

Coaching Qualifications and Duties

1. Coaches must be strong Christian individuals that will give an example of an active faith life to participants of the athletic program.
2. In accordance with the policy of the Madison Diocesan Board of Education, adults who supervise one or more HG-IC school children as a school volunteer must complete and return to the school office a Volunteer Disclosure form and must go through the Virtus Program on-line training and have a background check before they may begin any practices.
3. **Any parent interested in coaching should express interest on the form sent home in the spring. If more than two parents are interested in coaching the same team, the Booster Club will recommend coaches to the Education Commission based on the school's philosophy of sports and coaching responsibilities.**
4. No foul language will be tolerated. **If a coach uses foul language, he/she will be given a verbal warning. If it occurs again, the coach will be given a written warning. If after the written warning, foul language is used again, the coach will be dismissed.** Actions or gestures that might be thought of as degrading to the athlete or to the school are not permitted. All athletes will be treated with the utmost respect and courtesy. The athletes are expected to treat coaches and opposing teams with this same respect and courtesy. An example of good sportsmanship must be shown at all times by athletes and coaches.
5. Our school has a policy of no drugs, tobacco or alcohol. Coaches should exemplify this while working with our athletes. **Any coaches who do not follow this will be dismissed.**
6. Coaches need to establish a practice schedule for the athletic year following the League guidelines. All practice times must be cleared and reserved through the school office. Any schedule changes need to be cleared through the school office.
7. All equipment used at practice or at games must be returned to the appropriate location after the practice.
8. Coaches must be sure all athletes have left the school before he or she leaves the building. All lights must be turned off and all doors locked. Under no circumstances should the athletes be left alone at any time in the building or on the school grounds.
9. Scheduled games or practices that are postponed, rescheduled or canceled must be reported to the school as soon as possible.
10. No more than four activities for a team may be scheduled per week. This includes practices, scrimmages, and games. A tournament is defined as one activity.
11. Coaches need to arrive for practice and events prior to team members. Students may never be left without adult supervision.
12. The Diocesan Interscholastic Athletic Policy and Mississippi River Parochial League rules must be adhered to at all times.
13. Coaches must support the student academic and behavior eligibility rules of the school at all times and report any known infractions to the principal.
14. If a coach is ejected from a game, that coach will also be suspended from the next scheduled League game.

Player Eligibility

1. Team members must have the necessary forms on file in the Kieler campus office before beginning to practice. The following is a short explanation of the forms required to be on file in the school office before a child may participate. Please call the Kieler campus office with any questions.

- **Physical Exam/Parent Permission Cards**

These must be on file in the school office before a child may participate in Volleyball or Basketball. The cards are sent home in May and are available year-round in the school office. The white Physical Exam verification card is valid for two years, unless the doctor checks the “one year only” box. Wisconsin allows one exam every two years (after May 1st), but the form must indicate this.

The reverse side of the Physical Exam verification card is a “Parent Permission” form. This is required every year. On alternate years, when the child does not need a physical, a yellow “Parent Permission” card must be completed and on file.

- **Athletic Handbook acknowledgement statement**

A sheet attached to the Parent/Student handbook needs to be signed by both the parent and the athletes to verify they have read and understand the rules within its pages.

- **Virtus/Background Check**

On-line Virtus training, which includes a Background Check are Diocesan requirements of any adult who will be alone with one or more school children (other than their own).

- **Volunteer Driver Information Form**

Any adult who will be transporting children other than their own at any time this school year, must complete this form and have it on file in the school office. Drivers must be 21 or older, have a valid driver’s license and a safe driving record and certify they have adequate insurance coverage by completing all of the information requested on the insurance form. At present, the parish insurance requires that insurance coverage be a minimum of 100,000/300,000 per accident.

- **Parent Permission for a Child to be Transported**

Legally, the school needs a signed “Parent Permission to Transport” form on file for students to be transported in private vehicles to and from practices and/or games. If you are willing to allow your child to ride in privately owned vehicles for these sports activities, please sign and date the “Parent Permission to Transport” form, and return it to the school office.

2. All team members meeting the player eligibility requirements and wishing to participate in the athletic program will be allowed to participate.
3. All team members that participate and show an honest effort in scheduled practices should play in each game. A goal to be worked toward is that every player will play a minimum of one-fourth of the total game. Winning the game should not influence the coach’s decisions in

determining actual playing time. Winning should not become the primary goal and focus of athletics.

4. Practice is canceled if school is canceled, or if there is early dismissal due to the weather.
5. If a team member is absent from school for the day or the last half of the day due to illness, he/she may not participate in a game, scrimmage or practice held later in the day.
6. A team member missing a scheduled practice without being excused by the coach will not be allowed to start the next game.
7. The teacher or principal will notify a coach if an athlete is suspended from sports for the following reasons:
 - a. Academic: A team member must maintain a 77% average in all subject areas or convey that he or she is achieving or striving toward his or her maximum potential.
 - b. Behavior: A team member's actions liable for suspension include, but are not limited to the following:
 - i. Gross defiance
 - ii. Disrespect toward staff, students, volunteers or property
 - iii. Preventing a teacher from teaching
 - iv. Continuous upsetting of order in the classroom or the school in general
8. Team members who are suspended become ineligible for participation in extra-curricular activities (including practices) for one week or until the teacher sees improvement. The suspended member may sit on the bench (not in uniform) at games for the duration of their suspension.
9. **Non-School Team Members:** The Education Commission has decided that if there are enough students to field a team, only students who attend Holy Ghost-Immaculate Conception School can participate. **If HG-IC cannot field a team with school students, all students attending the HG-IC Religious Education program for that team will be invited to join the team. Once Religious Education students join an HG-IC team, they will be invited to play for the duration of their grade school years.**

HG-IC Coaching Code of Conduct

Philosophy of Sports:

The objective of athletics for youth should be enjoyment, skill development, benefits from participation in a team sport, and the development of good sportsmanship. Sports can have a profound effect upon a young person who is still developing identity, self-concept, and self worth. Respect the athlete's dignity. Coaching is a privilege granted by our school and parents. With this privilege come responsibilities while representing HG-IC School before, during, and after each activity. A coach should keep the concepts of winning and losing in a proper perspective. Not forgetting that the game is for the kids.

Coaching Responsibilities:

1. Treat each player as an individual, remembering the large range of emotional and physical development among his/her age group.
2. Consistently display high personal standards and project a favorable image of your sport.
3. Encourage athletes to act according to the rules of his/her sport and the "spirit of those rules."
4. Treat opponents and officials with due respect, both in victory and defeat.
5. Refrain from the use of profane, insulting, harassing, or otherwise offensive language in the conduct of your duties.

Be aware of the many pressures placed on athletes as they strive to balance the physical, mental, emotional, and spiritual aspects of their lives and conduct practices and games in a manner so as to allow optimum success! Any violations regarding the above guidelines will be addressed as referred to in the HG-IC Athletic Handbook.

I have read and understand the above statements and agree to conduct myself in a manner that demonstrates the standards established in the Coaching Code of Conduct. It is my responsibility to read and follow the guidelines established in the HG-IC Athletic Handbook.
